Remarks:

- The above schedule and information are subject to change at the discretion of the Organising Committee of PECERA 8th Annual Conference. Please refer to the Conference website (<http://www.pecera.org.hk/2007Conference/>) for updates.
- Speeches and presentations will be conducted in English, Cantonese or Putonghua. Simultaneous interpretation service will be available for all sessions except Concurrent Sessions and Workshops
- There are 10 strands of the concurrent paper presentations and workshops:
Strand 1: Child Development
Strand 2: Early Childhood Curriculum and Pedagogy
Strand 3: Early Childhood Teacher Education

- Strand 4: Children with Special Needs
- Strand 5: Language Acquisition
- Strand 6: Multi-disciplinary Collaborations
- Strand 7: Family-School Partnerships
- Strand 8: Education Media
- Strand 9: Policy Issues
- Strand 10: Innovative Practice in Early Childhood Education *

* This theme presents knowledge and experience in ECE practice that is not typically research, but is innovative in implementing new ideas and theories.

4. Separate online registration is required for attending the Pre-Conference Talk on a first-come-first-served basis. Please visit <http://www.pecera.org.hk/2007Conference/Preconfer.htm> for details and registration.

About the Keynote Speakers

**Prof. Iram
SIRAJ-BLATCHFORD**

*(Professor of Early Childhood Education, the
Institute of Education, University of London)*

- Prof. SIRAJ-BLATCHFORD focuses on early childhood curriculum and policy development, ICT, parental involvement and the home learning environment, cross cultural socialization and multi-professional approaches to early care and education.

Dr. John BENNETT

*(Senior Consultant to the OECD
Country Network)*

- Dr. John BENNETT was the former Director of the Early Childhood and Family unit at UNESCO, and as a consultant he co-authored with Michelle NEUMAN a comparative work on early childhood policy in twelve countries entitled *Starting Strong: Early Childhood Education and Care* published by OECD in 2001.

Dr. Martin WESTWELL

*(Deputy Director of the Institute for the
Future of the Mind at Oxford University)*

- Dr. WESTWELL undertook a number of research projects in neuroscience and is active in education and public-engagement-with-science initiatives. Among his research spectrum, Dr. WESTWELL studies the way young people form their minds and the way various technologies influence the minds of the young.

Chairperson of Symposium I and III

Chair: Prof. Kathy SYLVA

*(Professor of Early Childhood Education
at Jesus College, Oxford University)*

- Prof. SYLVA is currently undertaking a research study of bilingual English and Chinese language learning in ECE in Hong Kong. She will be the chairperson of Symposium I and III: English as a Second Language in ECE: Policy, Pedagogy and Research.

Chairperson of Symposium II

**Chair: Mr. Michael
Puk-sun TIEN, BBS, JP**

*(Chairman of the Standing Committee
on Language Education and Research (SCOLAR),
Education Bureau, HKSARG, the G2000 Group
& KCR Corporation)*

- Mr. Michael TIEN is an active member in the Hong Kong community, especially in Education. He has been a Member of the Education Commission since 1996, and is the Chairman of Standing Committee on Language Education and Research (SCOLAR) since 2000.

Chairperson of Dialogue on "Re-thinking Early Childhood Education"

Chair: Dr. Nirmala RAO

*(Associate Professor and Acting Dean, Faculty
of Education, the University of Hong Kong)*

- Dr. RAO is a Developmental and Chartered (Educational) Psychologist, who conducts research on Child Development and Education in Asian cultural contexts. In recent years, her work has moved to have a greater focus on (i) early child development and education; and (ii) comparative studies of early development and education in China and India.

HKSARG*

About the Conference Exhibition

An exhibition will be staged at the gymnasium during the Conference to show the latest cutting edge educational resources and publications in the field, including teaching resources, learning packs, toys and the like.

About PECERA

The Pacific Early Childhood Education Research Association (PECERA) is an organization dedicated to disseminating and supporting research in early childhood education in the Pacific area. Members come from Australia, China, Hong Kong, Japan, Korea, New Zealand, Singapore, Taiwan, US and others.

On 28 January 2005, a dedicated group of early childhood educators successfully registered PECERA (Hong Kong) as a new chapter of PECERA. PECERA (Hong Kong) is envisioning that it will be a platform for all relevant professions to contribute to early childhood research. The 2007 PECERA Conference is the first annual conference that is held in Hong Kong.
